

SPECIAL GUEST SPEAKER

PAUL CHESHER

Paul was born and raised in Arkansas in a non-Christian home. He came to know Christ at age 13.

He married Hope Brantley and they have four children: Ashley (21), Hunter (18), Marshall (16) and Alannah (13) and a yellow lab named Biscuit the Amazing Wonderdog.

He served as a youth pastor, was a missionary in Papua New Guinea, served as associate pastor and a missionary with CAM. Several of the guys from the DCC Short Term Mission team stayed with them in 2008.

"The coolest thing about Oregon? The DCC team that came to Puebla two years ago, spotted owls for dinner and of course - the amazing master youth Pastor Phil Rankin."

"What I'm looking forward to at the camp - "participating in what God says to us while there. May He grant us to hear from Him. That is what really matters."

MUSIC

Camp music will be facilitated by Caleb Ray and a staff of talented students. Look forward to great campfire music and an awesome time of worship under the stars.

THEME

Ever wonder what the future holds for your life? Where will you be in five years? Or, even next fall? As human beings we have a preoccupation with the future. For home it brings a sense of fear and tension. Will I be okay? Will I succeed?

Well, God in His goodness, shows us a glimpse of what to expect in the future. He wants to "prosper" us. But what does that mean and how does it happen? Oh, and by the way God, I want to be assured that it will happen and I want that prosperity thing to start now!

If God has a plan for me to be on in the future, wouldn't it make sense that I start moving toward that goal now? What is God's plan for getting me onto the plan? Maybe I should be seeking God's plan now instead of waiting till later and discovering that I'm not "on the plan!"

Come join us at Dworshak as we discover the joy, hope, comfort and assurance we find when pursuing God's plan for us . . . just as Jeremiah mentions in 29:11.
